SHIJIAZHUANG CAPT POWER TRANSMISSION CO., LTD.

ENTERPRISE PROFILE

Shijiazhuang CAPT Power Transmission Co., Ltd. is a comprehensive manufacturer of precision mechanical power transmission products, integrating research, development, production and sales. The company has dedicated itself to offer leading quality, high-precision, and efficient products for close to 40 years.

Nowadays the “CAPT” brand has become well known in both the domestic and international markets for providing premium mechanical power transmission products.

PRECISION MANUFACTURING SUPERIOR INGENUITY

CUSTOM MECHANICAL POWER TRANSMISSION AND INDUSTRIAL DRIVE COMPONENT EXPERTS

- June 1986, CAPT was established.
- August 1993, CAPT expanded manufacturing capacity.
- December 1993, established Tianjin Golden Elephant Power Transmission Machinery Co., Ltd.
- July 1999, CAPT-USA, Inc. was established in Los Angeles, California.
- August 2005, NSPT, Inc. was established as the North and South American distributor in Los Angeles, California.
- July 2002, the first and only Chinese PT manufacturer to pass the ISO9001: 2000 QC certification via the UK's Lloyd's Register Quality Assurance Limited (LRQA).
- August 2006, Tianjin Golden Elephant Power Transmission Machinery Co., Ltd. invested in the American Hunter Casting production line.
- April 2008, CAPT expanded its business range with additional investment.
- October 2012, Tianjin Golden Elephant Power Transmission Machinery Co., Ltd. was renamed as Tianjin CAPT Power Transmission Co., Ltd.
- January 2013, CAPT was relocated from Shijiazhuang urban district to Gaocheng Economic Development District.
- August 2014, CAPT and Tsubakimoto Chain Group formed the joint venture, Tsubaki CAPT Power Transmission (Shijiazhuang) Co., Ltd.
- March 2019, CAPT invested to build a new factory with annual output of neary 10 million pieces/sets of various mechanical PT products.
- June 2021, relocated to the new facility and started a new chapter.

SHINE THE LIGHT OF CAPT WISDOM

RESONATE WITH THE PULSE OF THE WORLD

○ CORPORATE MISSION:

Develop new technology
Manufacturing high-end products
Service the global industry

○ ENTERPRISE SPIRIT:

Study | Practice | Progress | Innovation

○ BUSINESS PHILOSOPHY:

Focus on customer needs and lead progress
Better quality casts the CAPT brand
Sincere service drives CAPT values

○ CORE VALUES:

Virtue drives trust

○ CORPORATE STYLE:

Keep growing
Emphasizing solidarity
Utilizing science
Strive for efficiency

○ PRINCIPLE OF ACTION:

Rapid Response Superior ingenuity

○ TALENT STRATEGY:

Respect morality Encourage kindness

- Tsubaki-CAPT Power Transmission (Shijiazhuang) Co., Ltd. (joint venture)
- Tianjin CAPT Power Transmission Co., Ltd.
- CAPT-USA, Inc.
- New Standard Power Transmission (NSPT-USA, Inc.)

CAPT is a comprehensive manufacturer of mechanical power transmission and other industrial drive components.

CAPT has around 700 sets of machining and auxiliary equipment of various specifications, including more than 300 CNC lathes, 120 machine centers, along with 120 various other specialized machinery that can drill, grind, slot, broach, weld, heat treatment, surface treatment etc. These equipment possesses high tolerance, strong dependability and wide production range, which can be customized for research, development, and production to provide comprehensive industrial solutions.

DURABLE

As the oldest privately owned PT manufacturer in China, CAPT take great pride on the principle of high-quality products, systematic improvement, and continual optimization. Every single product reflects our dedication to quality.

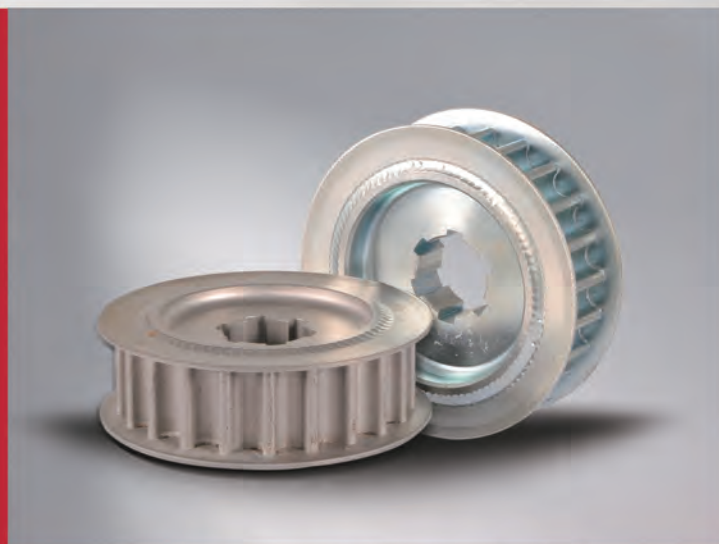

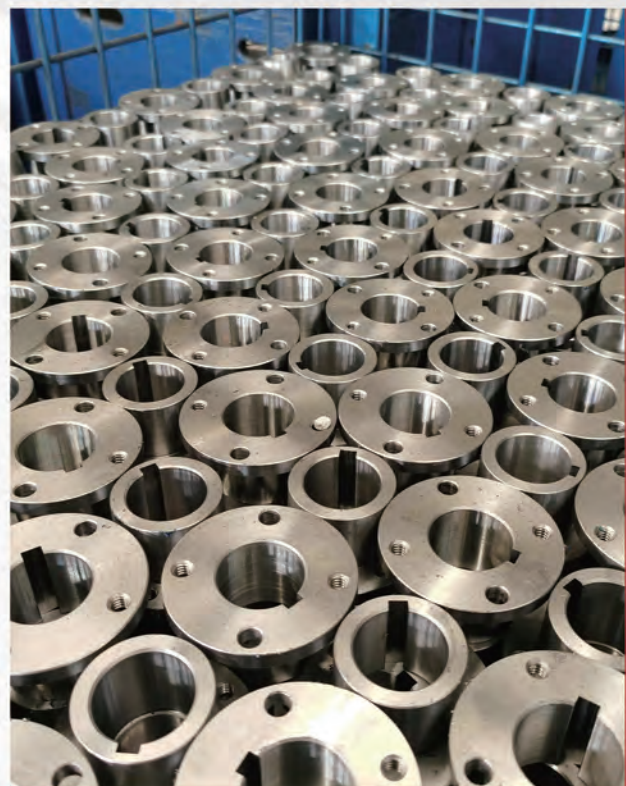

CALIBRATION EQUIPMENT

Tsubaki CAPT Power Transmission (Shijiazhuang) Co., Ltd was jointly established in 2014 by Shijiazhuang CAPT Power Transmission and the Tsubakimoto Chain Group. The company integrates advanced Japanese technology and management principles with Chinese manufacturing ingenuities to provide high-quality, made to order products such as sprockets, timing pulleys, keyless locks, and racks for the domestic and international market. With production lines for customized and made to order drive components, such as bevel gears and large conveyor sprockets, TCP offers precision production, assembly, and installation services for various large and medium-sized products, boasting strong manufacturing capabilities and superior quality.

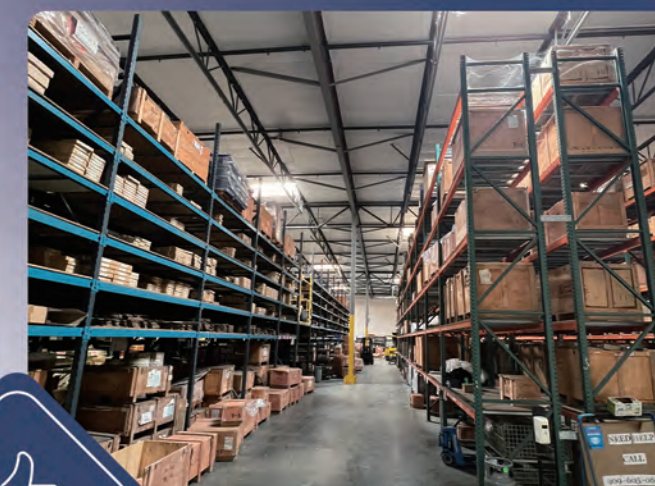

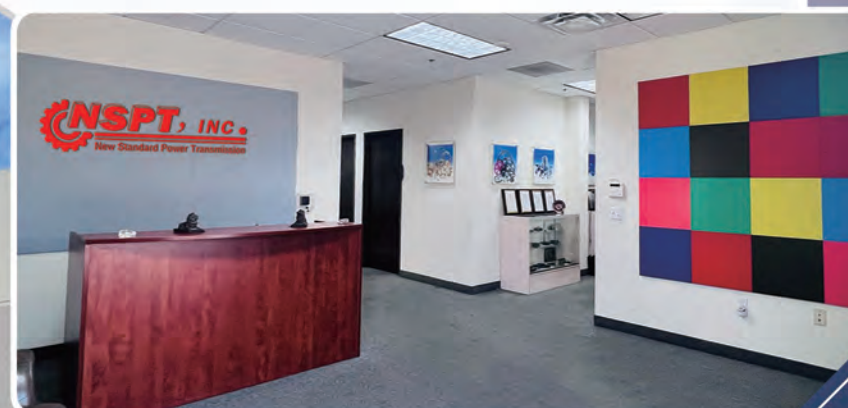

TIANJIN CAPT

Tianjin CAPT mainly focuses on small batch machining, with nearly 60 sets of main equipment, including precision CNC machining centers, various CNC lathes, CNC gear hobbing machines, gear shaping machines, hob grinders, broach machines, sawing machines, etc..

CAPT-USA, INC.
US HQ

CAPT-USA, Inc. and NSPT, Inc. were established in July 1997 and August 2005 respectively in Ontario, California, with warehousing area of 4600 square meters, and are the distribution center in North America, responsible for customer service, product storage, logistics, and importing. Delivery can be as quick as 5-6 weeks (standard ocean), fast pass production service offers 7 day production & door-to-door delivery. Primary services include: customer service and inventory center for our North & South American customers. Accessible and visible stock for VIP customers.

PRECISION RELIABLE DURABLE

高精 · 稳定 · 耐用

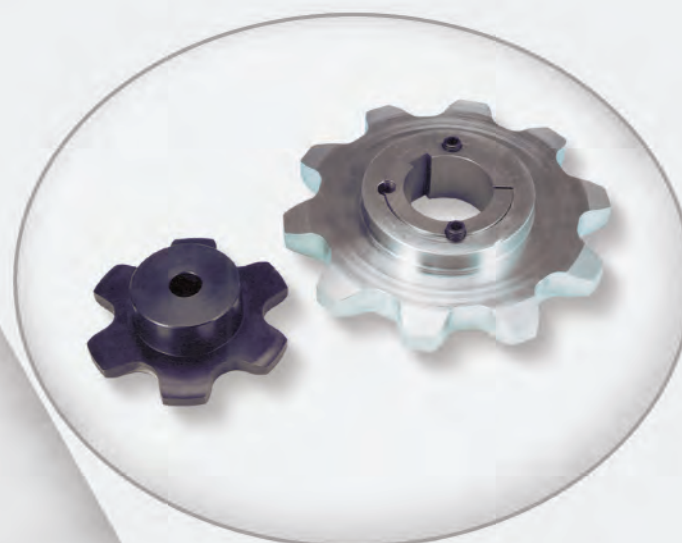

CAPT ENHANCES EFFICIENCY OF MECHANICAL POWER TRANSMISSION!

CAPT PT products are available in 16 series, covering more than 45,000 standard specifications. With advanced technology and reliable quality, CAPT exports more than 85 percent of its products abroad and is a mainstay in the European, U.S. and Japanese markets.

Expert in production of custom PT products

In addition to various standard products, CAPT provides customers with precision customized service, suitable for special purposes, special industries, special environments, special materials and special processes with products characterized by large dimensions, high tonnage, unconventional shapes, etc.

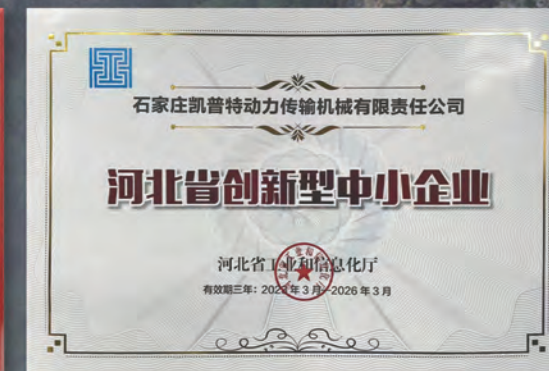

OEM/MTO PRODUCTS

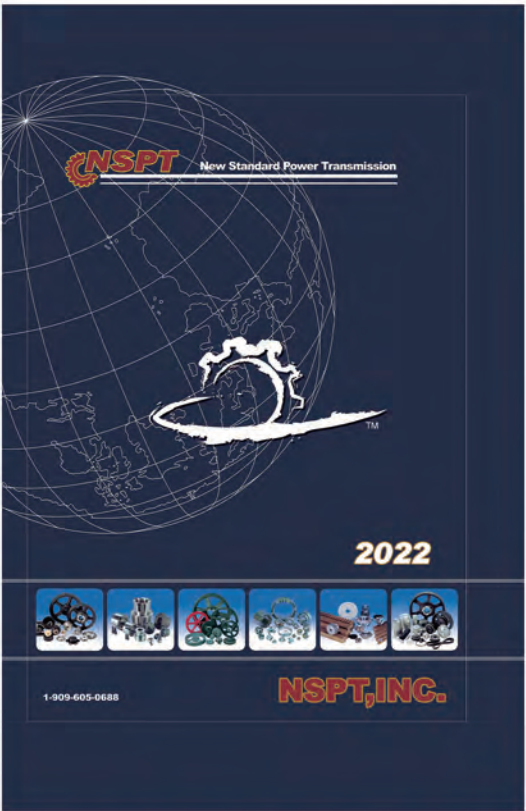

CAPT has strong production capacity for OEM/MTO products and can provide various custom products to global customers. With comprehensive engineering capacity, specialized equipment, and stringent quality control system, CAPT can meet various customized request. CAPT's products quality and experiences are highly recognized by customers at home and abroad.
